SATURATED GROUNDS PROMPTS MONTPELIER TESTING DAY CANCELLATION

Focus Turned to April 16 Season Opener

MONTPELIER, IN (April 6) – A combination of persistent showers, cool temperatures and a less than satisfactory weather forecast for the weekend has prompted a cancellation of Saturday’s planned tune and test session at Montpelier Motor Speedway.

Track officials will now focus on prepping the one-quarter mile clay oval for April 16 when the 2022 racing season officially opens with a robust 5-division program. On tap in the twilight show will be the Bach Promotional Modifieds, Super Stocks, Street Stocks, Affolder Implement Hornets and Dirt Trucks. A special race start time of 3:22 pm has been established for all races in the month of April.
